# PRODUCTION INFORMATION

---

Thank you for your booking. In order to ensure efficient delivery of your campaign, please read the information below.

## PRIOR TO THE CAMPAIGN:

We are only able to prepare and distribute campaigns running in a particular week once all posters for that week have been received. If your campaign is late, additional labour will be required to deal with the resulting knock-on effects. These costs will be passed on to the advertiser as outlined in the contract.

Whilst we will chase material from all relevant parties, the contracting party is ultimately responsible for fees relating to late delivery.

## AFTER THE CAMPAIGN:

POSTERS WILL BE STORED FOR 6 WEEKS, THEN RECYCLED.

If you do not wish your posters to be recycled, you can:

- 1) Arrange for posters to be collected within 4 weeks of the campaign ending or;
- 2) Notify your account manager that you wish the posters to be put into long term storage at a cost of \$1000 per month period per State.

Please note that disposal after 6 weeks will occur automatically and you may not receive further communication in relation to this. If you have any questions, please contact your account manager.
